

*Hello
and a warm welcome
from the
English Tea House
family...*

We are proud we are still the "No.1 Restaurant in Sandakan" at TripAdvisor for excellent service and delicious food. I would like to thank all of our staff for helping to achieve this. Well done!

Big celebrations were held in Britain recently to celebrate the Queen's Diamond Jubilee. With many street parties and family gatherings, the event was an opportunity for people to come together and enjoy their favourite food. So this month's specials have been created to capture the spirit of this event. We hope you enjoy them as much as we do!

We worked closely with Charis Insurance, Malaysia Group, to create an atmospheric afternoon tea event for the company. We were able to maximize the use of our restaurant's large garden space to accommodate for this very special event. Thank you for choosing our restaurant for your celebration.

Also, our management of the "Malisa - flamed grilled chicken" restaurant is proving a great success. We have received praises for the delicious food and selection. If you have not tasted it yet, we highly recommend that you come and try for yourself - we will be waiting for you at Malisa Restaurant, Perdana Park, Tg. Aru, Kota Kinabalu!

See you soon!

*Cheers!

History of Queen Elizabeth II

Queen Elizabeth II was born Princess Elizabeth Alexandra Mary on April 21, 1926 in London. At the time of her birth, no one thought Elizabeth would someday become queen.

In 1936, the course of Elizabeth's life changed with the death of her grandfather, King George V. Her uncle became King Edward VIII, but he only ruled for six months. King Edward was in love with American divorcee Wallis Simpson, and had to choose between her and the crown. In the end, Edward chose Simpson and Elizabeth's father, Prince Albert, became King George VI.

Elizabeth married Philip Mountbatten, Duke of Edinburgh in 1947 and became queen on February 6, 1952, and was crowned on June 2, 1953. In her new role, Queen Elizabeth II had new political duties. She held weekly meetings with the country's prime minister, starting with Winston Churchill and every leader after him.

Elizabeth has modernized the monarchy as well. She had dropped some of its formalities and made some of the sites and treasures more accessible to the public.

Now in her eighties, Elizabeth has remained steadfastly on the throne and this summer celebrated her Diamond Jubilee.
