

Hello and a warm welcome from the English Tea House family...

We have had a hectic month of functions at our Sandakan restaurant! The staff have been kept very busy helping our customers to organise a children's birthday party for 90 people, a wonderful wedding and a large business meeting. It is so nice to see our restaurant being used for your special events.

And in Kota Kinabalu we are busy preparing for the first Kota Kinabalu Food Festival which is running from the 9th to the 22nd of July. We are really excited to be part of this inaugural event for KK. Our Chef has been testing and selecting the best ingredients to provide customers during the festival with an unforgettable menu. Please contact the restaurant on 088 213848 if you would like to make a booking during this period.

If you would like to host your function at one of our restaurants please do contact us to find out how we can help you. Our Sandakan restaurant can accommodate up to 300 people and in Kota Kinabalu we can seat up to 60. We like to work with our customers to make sure their special occasion is exactly what they need.

*Cheers!

Kota Kinabalu Food Festival

Kota Kinabalu's first food festival makes its debut from the 9th to the 22nd July. The KK Food Fest is a two week showcase from a range of food and beverage outlets in and around Kota Kinabalu offering local food lovers the chance to discover new dining options in the city. Each participating restaurant will be offering a specially designed 'Festival Menu' - only available throughout the duration of the festival.

The English Tea House in Kota Kinabalu is excited to be part of the Food Festival and we have developed a mouth watering 3 course menu for our festival diners for only RM 58++ per head. The menu offers choices of traditional English, Malay and European fine dining dishes that will tempt your taste buds!

To view the menu please take a look at the Food Festival page of our website at www.englishteahouse.org.

If you would like to book a table please call us on 088 213-848
